Help the Churchville Nature Center Pave the Way to 50 Years

As we prepare for our 50th year, the CNC is undergoing some major improvements. And, we've designed a way for everyone to help pave the way to this special milestone year.

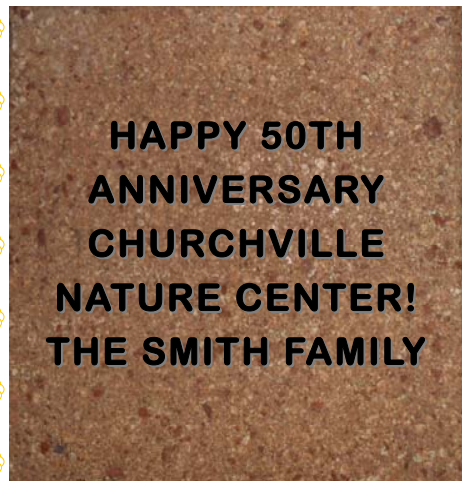

CNC Personalized Paver Program

Two different size pavers offer different ways to share your personalized message which will be set in the foundation of our garden path. Personalize as many pavers as you'd like with:

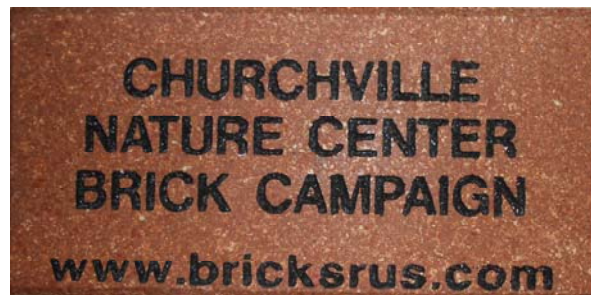

- Your name ❖ Your family's name ❖ A friend or relative*
- Pet's name ❖ Company name or organization*
- Special message ❖ To commemorate a special event*

Each of your pavers will have a permanent home and will forever commemorate your dedication to the CNC. Please order today and help pave the way to 50 years!
