Join us for a weekend of rocks and minerals. Whether your hobby is collecting minerals, lapidary or gem setting; if you are a rock hound or fossil finder, we will have something that will interest you. Our collection of donated rock and minerals will be on display for sale. Area collectors and mineral club members will have their collections available for sale or exhibit. It is a great way for beginners to start their collections and for collectors to add to theirs. This event is super family oriented with plenty of activities and learning events for kids.
